CCR receives contract from Peugeot for workshop disposal

Dornach, 19 January 2009

CCR Deutschland AG, a subsidiary of CCR Logistics Systems AG, has been awarded the contract for the nationwide disposal of waste and packaging materials from the approx. 830 dealerships belonging to the Peugeot Germany organisation, which is part of the PSA Group. CCR can now extend its market leadership in the area of workshop disposal by more than 50 %. Peugeot is the latest big name company to join the CCR's customer base, which in Germany also includes companies such as Audi, BMW, Citroën, Mini, Mitsubishi, Porsche, Seat, Skoda, Toyota and VW.

CCR will also be advising and supporting Peugeot with the requirements for fulfilling the packaging regulations, in particular the changes arising from the 5th amended version. "We are proud to be able to extend our market leadership also in Germany with this contract", commented Achim Winter, Chairman of the Board at CCR Logistics Systems AG. "Our excellent references, also within the PSA Group, were a crucial factor in winning the contract." CCR has already been
