

Press Release

CCR Magyarország: acquisitions of compliance schemes completed

Budapest, October 7th 2008

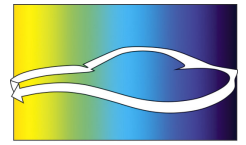

After successful acquisition of three operating compliance schemes in Hungary at the end of 2007, from now on two companies continue operating as CCR REWEEE Nonprofit Kft and CCR REBAT Nonprofit Kft.

CCR REWEEE and CCR REBAT are currently serving around 80 clients. A continuously growing number of customers are asking for the service of both companies. This is a great success of offering one-stop-shopping to current and potential new customers.

The annual put-to-market volume of CCR's current customers is around 7.000 tons and increasing steadily.

The customer portfolio includes numerous Hungarian mid-size companies but also subsidiaries of multinational blue chips like Ingram Micro, Vodafone, Mercedes-Benz and Nokia.

„As one stop shopping service provider our offers are requested by many customers and we receive daily new tenders”, says

CCR
Reverse Logistics Group

Andràs Zsifkovits, Managing Director of CCR Magyarország.

„We are sure that we continue growing further quickly and enlarge our customer base due to CCR’s international and European presence and our strong position in Hungary.”

CCR Logistics Systems AG seated in Dornach near Munich is the specialist in the management of take-back systems. As an international Business Process Outsourcing Partner for industry and trade, CCR develops take-back systems with full-coverage logistics processes and IT - supported reporting and clearing. CCR Logistics Systems AG is a subsidiary of the Reverse Logistics (Group) GmbH.

The Reverse Logistics Group (RLG) is specialist for reverse logistics. Subsidiaries and affiliated companies of RLG are leading in running take back systems for products and packaging in Europe. Comprehensive logistics processes and IT supported reporting and clearing are core competences of the group. More than 2,000 customers from industry and commerce rely on solutions from RLG, among them renowned and well-known companies such as the Volkswagen group, the BMW group, Toyota, Porsche OSRAM, Red Bull, Woolworth, Hakle, Deichmann and Johnson Controls but also well-known companies from the pharmaceutical sector like ratiopharm and Boehringer Ingelheim.
